WORK HISTORY

Learning Support Assistant | ACT Education Directorate 2018 – current

- Supported and liaised with teaching professionals in the provision of education programs for primary school aged students, specifically those with high needs such as autism, physical disabilities, and trauma
- Developed people problem solving skills from facing challenging student behaviours, from which the role taught me to think laterally and creatively to seek solutions

Business Assistant | T-Rack Australia 2019 – current

- Worked with suppliers and the directors to improve the distribution network, including seeking new delivery solutions and sourcing new manufacturers
- Currently leading a project to redevelop the website, which includes sourcing and managing creative professionals to produce a high quality front-end experience, as well as improving back-end capabilities like the email system and inventory management

Sales Assistant | Ozmosis 2017 – 2019

- Worked with a team to meet sales targets under budget and time pressures, while ensuring a high quality client experience
- Developed communication and sales skills in order to influence and meet client needs
- Maintained inventory and store presentation standards, including opening and closing of the stores

Barista | Shingle Inn Cafe 2016 – 2018

- Learned barista and café skills, which involved making coffees, preparing food, and taking orders
- Developed customer service skills while working as part of a team to deliver a consistently high quality client experience
